

July 14, 2020

Amendments to the following key document: Key City Gymnastics Club-COVID-19 Safety Plan.

1. The following is an amendment to **CLEANING Key City Gymnastics Club Cleaning and Sanitation Protocols**: on page 6, bullet 2 of the Key City Gymnastics Club-COVID-19 Safety Plan. This section should be replaced with the following:

We have implemented a cleaning log that is kept in the kitchen. A template of our log is available online at www.keycitygym.ca (**due to website reconstruction, this link is currently unavailable) or upon request by emailing our office at programming@keycitygym.ca.

2. The following is an amendment to **CLEANING Key City Gymnastics Club Cleaning and Sanitation Protocols**: on page 6, bullet 5 of the Key City Gymnastics Club-COVID-19 Safety Plan. This section should be replaced with the following:

Gymnastics equipment will be disinfected after each class and/or rotation during each class until further notice.

3. The following is an amendment to **CLEANING Key City Gymnastics Club Cleaning and Sanitation Protocols**: on page 6, bullet 6 of the Key City Gymnastics Club-COVID-19 Safety Plan. This section should be replaced with the following:

Equipment that cannot be cleaned (e.g. foam pits) will not be used until an appropriate cleaning process has been identified.

4. The following is an amendment to **SCREENING Key City Gymnastics Club Daily Screening Checklist**: on page 8, bullet 1 of the Key City Gymnastics Club-COVID-19 Safety Plan. This section should be replaced with the following:

Key City Gymnastics Club requires that prior to entering the facility, all individuals must complete and submit the Daily Screening Checklist provided on-line at www.keycitygym.ca (**due to website reconstruction, this link is currently unavailable), emailed to each participant or in person at the Key City Gymnastics' Daily Screening checkpoint.
