FIELD TRIP DAYS

- All students should arrive dressed for their class as we have closed our change rooms until further notice.
- All students must bring a filled water bottle (water only please) with their name clearly labeled.
- Sharing of personal items including (but not limited to) water bottles is forbidden.
- The use of masks is permitted at each person's discretion, however for safety reasons athletes cannot be required to wear masks during activities. Masks must be worn in any situation where physical distancing of 2 meters may not be possible outside the field of play (hallways, stairways etc). We highly recommend that masks are worn upon entering and exiting the gym and ask that you regularly check in on government recommendations.
- Please let your students know that their coaches will be following government recommendations and *may* be wearing masks.
- All students **must** wear socks.
