Dear Members and Parents,

On October 26, 2021 the Public Health Officer updated BC’s Province wide Gathering and Events Order. This order will have specific impacts on the operations of Key City Gymnastics Club.

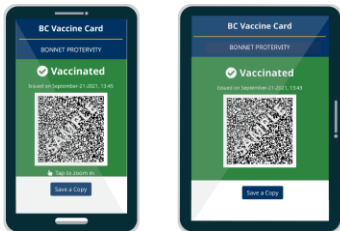

October 26 Gathering and Events Order Updates:

The Order states that an adult (19+) leading, supervising, or assisting a sport program for children and youth must have received two doses of a vaccine. This includes parents in **Parent and Tot (Mighty Minnows)** classes, **Drop-in** classes, and **Birthday Parties**.

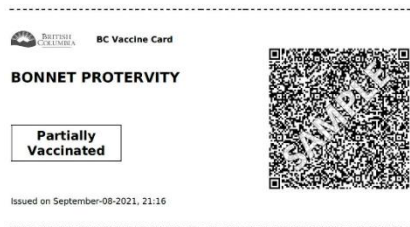

As of Monday, November 1, 2021, all volunteers, support personnel, and individuals who are leading or assisting with program delivery in the classes and/or programs specified above will need to provide proof of vaccination to their gymnastics clubs.
